**NEW CHOCOLATE PEANUT BUTTER MILK FROM HILAND DAIRY IS A HALLOWEEN TREAT**

*Tasty reduced fat flavored milk and Halloween Egg Nog are now in stores.*

**Springfield, Missouri** (Sept. 15, 2014) – Hiland Dairy announced today that Chocolate Peanut Butter Milk, the latest in its popular line of flavored holiday milks, is now on store shelves.

This reduced fat milk delivers the perfect combination of chocolate and peanut butter flavors kids crave in a candy bar, but with the protein and nutrients of milk that parents like to give their families.

Consumers are also seeing the return of Hiland’s Halloween Egg Nog, which has become one of Hiland’s most popular holiday products.

Gary Aggus, president of Hiland Dairy, said the company is dedicated to giving families more choices when it comes to enjoying dairy products. “We believe that Hiland’s products can be part of a healthy, happy home and we give customers the fun and delicious flavors they want – while still getting the nine essential nutrients, including protein, that milk provides,” Aggus says.
